

HARVEST MINISTRIES NEPAL

Bhaktapur, Nepal | Estd:2001

I was born in 1986 into a Hindu family, and on December 10, 1996, I accepted the Lord Jesus Christ into my life. I was baptized on March 28, 1997, in the name of the Father, the Son, and the Holy Spirit, to follow one true God. I received God's calling on my life for the ministry of Jesus in 2000, and the following year, in 2001, I started to work for Christ Jesus, preaching the good news of Jesus Christ and proclaiming, "Jesus is the Lord. This church began with prayers as a home fellowship of 3 people in a one-room home. I gave it the name **"HARVEST CHURCH"**.

In 2005, my wife and I took part in a study in Bangalore, India. The church grew. Now we are 75 people, and I preach to people from the Word of God. Now it has been 28 years since I have been walking with Jesus and working for him joyfully. We have established 5 sister churches, called "Harvest Ministries Nepal."

About Us.

I am Pastor Satis Thapa, and I am an indigenous Christian pastor in Nepal, serving the poorest villages in far corners of my Himalayan country with needed aid and the gospel of God

We have helped thousands of people with warm clothes, shoes, food, and water pumps. These things are possible by the grace of God, through prayer, support, and with the help of cheerful givers, the saints of God.

Our vision :

My vision is to share the gospel, continue to plant churches, and help the poor, needy people in the far corners of Nepal where God leads and when God provides.

- **Helping Needy People with Food, Clothes, Water Pump, sleepers, Mosquito nets, etc.**

We help the poor, needy people in far corners of Nepal where God leads and when God provides.

We have reached many Christians and Non-Christian people with the help/relief to show them the love of God.

- **Women's Training/Seminar**

My wife, Pastor Gita Karki, is full of encouragement, and she loves to teach and preach to women leaders of different Churches. In a country like Nepal, there are very few female teachers to teach female leaders. The subjects she has been teaching to ladies leaders and women members of churches are "Role of ladies in ministry", "How to support your Husband in Ministry", "How to take care of family as a Christian", "Love and Care for husband", etc.

- **Baptisms**

[Matthew 28:19-20 \(The Great Commission\): "Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you".](#)

- **Bible Stories Tellers Training**

We have 108 Bible Stories from the Old and New Testaments. We have been doing this training since 2017 till now. We have trained 138 students so far, and those students are telling the Bible Stories in their families, among their relatives, and there neighbourhoods. It takes two years to teach to complete 108 stories. We do this training once every two months. Through Bible stories, our students make disciples, and they share the gospel through the Bible stories. In the remote area, it has been so effective. And after two years, we graduate the students.
